a fresh historical and theoretical exploration of the much debated but still elusive question of the korean divide in contrast to much of the literature on the divide which deals with state building on the two sides of the demilitarized zone this book sheds light on the slow but steady process of homogenization between the two estranged peoples as accelerated after the end of the cold war and especially after the inauguration of president kim dae jung in 1998 providing immense empirical detail as well as theoretical debate on the ideas in policy shaping in south korea the book presents a rich history of enemies and covers issues including an overview of the structural shift and the rise and fall of identity groups in south korea history of enemy making and peace building north korea's external relations with the us japan and europe hyundai's groundbreaking cross border tourism and other economic cooperation projects the lingering nuclear weapons crises by focusing on the question of identities the book presents a new approach on one of the most important legacies of the cold war and threat to peace in the contemporary world the divided korean peninsula as such it fills a major gap in the literature utilizing new theoretical and empirical frameworks to deal with the korean division and its future implications in east asia

american more six level edition is a version of a course from a highly respected author team that's bursting with features for lower secondary students each level of american more contains 50-60 hours of class material with dedicated reading culture grammar vocabulary skills and cross curricular learning sections plus a wide range of flexible components you really do get more with american more the teacher's resource book contains detailed guidance on how to get the best out of the course warm up activities photocopiable grammar and communication resources tests and answer keys and extra idea sections for fast finishers the test material is contained on the testbuilder cd rom together with the audio for the tests

kim jong il came to power after the death of his father kim il sung in 1994 contrary to expectations he has succeeded in maintaining enough political stability to remain in power kim jong il's leadership of north korea is an examination of how political power has been developed transmitted from father to son and now operates in north korea using a variety of original north korean sources as well as south korean materials jae cheon lim pieces together the ostensibly contradictory and inconsistent facts into a conceptual coherent framework this book considers kim and his leadership through an analytical framework composed of four main elements i kim as a leader of a totalitarian society ii as a politician iii as a korean and iv as an individual person this illuminating account of what constitutes power and how it is used makes an important contribution to the understanding of an opaque and difficult regime it will be of interest for upper level undergraduate postgraduates and academics interested in north korean politics and also those in political theory
